FIFTEEN CENTS

## Police seek 2 after holdup here

A HAPPY GROUP OF BIKE SAFETY Trophy winners gather together with George O'Connell, director of bicycle safety for Alan J. Dixon, Illinois secretary of state. O'Connell visited the State Bank of Antioch last Wednesday to assist in the Bicycle Safety Rodeo which was sponsored by the State Bank of Antioch. The truck in the background was donated by the Antioch Fire Department for the use of its public address system during the rodeo. (More pictures inside.)

### Today's Brightener

A perfect example of minority rule is a baby in the house.

## Air gun, slingshot ordinance to be made

The Antioch village board has requested that an ordinance to cover the use of air guns, slingshots and bows and arrows be drawn up by village attorneys.

Police Chief Chuck Miller explained that the current state law covering the use of air guns is too lenient. He suggested that an age limit be set for people to use these instruments, even on the user's own property.

Village Clerk Marilyn Sterbenz said the board will act

on the ordinance the attorney has written at the next meeting.

Also, a battery ordinance will be drawn up by village attorneys at the request of Miller and the board.

Miller explained that the village presently has no battery ordinance and that fines should be increased by \$300 per month for a battery offense in the village.

Both motions to draw up the ordinances were passed by the board 5-0.

## Village plans 2 public hearings

Antioch village officials will hold two public hearings on Monday, July 3.

At 7 p.m. in the village hall, the proposed annual appropriation ordinance will be held. Copies of the ordinance are available for examination at the hall, 874 Main St.

At 7:30 p.m. there will be a hearing to discuss the use of federal revenue sharing funds.

AT THIS WEEK'S village board meeting, trustee Donald H. Amundsen reviewed the plans for a balance of \$90,133 in revenue sharing funds.

A total of \$26,270 is earmarked for updating police department equipment. But \$9,250 of that will be reimbursed by Lake Villa and Lindenhurst which are

### Pistol used to rob Antioch gas station

Two young men, one carrying a pistol, held up the Maverick gas station on Main Street Saturday, then made off with \$656.

Don Eckstrom was opening the station at Main and Depot streets at 7 p.m., and the \$656 were the Friday night receipts.

Eckstrom told police the robbers entered the office on foot. One pulled the long-barreled .22 caliber pistol from inside the back of his trousers and ordered Eckstrom into the restroom.

THEY TOLD HIM to stay there for five or 10 minutes or they would kill him, police said.

Eckstrom emerged from the room after about 30 seconds and the men were gone, he said.

He said the men were wearing T-shirts and identical sunglasses and engineering caps pulled down over their foreheads.

POLICE CHIEF CHUCK MILLER said that Lt. Tom Fisher, using an identification kit, has made good composite sketches of the subjects and the sketches are being circulated among police departments and law enforcement agencies.

### Police chase leads to arrest of Trevor man

A police chase early last Saturday morning involving Antioch and Salem officers ended in the arrest of a Trevor man for speeding, hitting and eluding an officer, and driving while under the influence of drugs.

Antioch Police Officer Robert Lange said he was at North and Main streets at 12:50 a.m. when he received a radio message that Salem police were involved in a chase headed south on Rte. 83 toward Illinois.

The pursued car, driven by Gary L. Wilburn, 23, of Trevor, stopped after it passed the Soo Line railroad tracks near North Ave.

Two Salem police officers, Captain T. McCarley and Officer Johnson, chased Wilburn on foot and placed him under arrest.

POLICE SAID WILBURN then pushed McCarley and ran west toward a field. McCarley chased and caught him, but Wilburn punched McCarley on the right side of the head, above the eye, they added.

Lange and Johnson came to McCarley's aid and, while the subject was being subdued and handcuffed, he was attempting to fight Lange, police said.

After searching Wilburn, police said they discovered a plastic bag in his pocket containing marijuana. They took him to the Antioch police station and he was later released on bond.

Wilburn is scheduled to appear in court June 29 and is charged with possession of marijuana, battery and resisting arrest.

### Thought for today ...

Parking places aren't really hard to find; look how many people find them before you do.

**BREAKING GROUND** for Antioch's new fire department and rescue squad building were (from left) Edgar Simonsen, honorary fire chief; Mayor Michael J. Haley; Fire Chief Charles (Tod) Maplethorpe; Russ Lasco, president of the First Fire

Protection District, and David Heath, captain of Antioch's Rescue Squad. The building on Turner Drive is scheduled to be completed by next February or March. (Paul Maplethorpe photo.)

### Wells, Huber promoted

Two Antioch village employees were promoted to foreman jobs at Monday night's village board meeting.

Joe Huber will become foreman of the streets department and Tim Wells foreman of the sewer and water division.

Their promotions came after Earl (Scotty) Lowe, present foreman of the village crew, announced he will be leaving the job. Mr. Lowe's future plans were not revealed.

WELLS HAS passed his "Class 3 Treatment Operators" certification exam and will be working under Charles (Tod) Maplethorpe

who is superintendent of water and sewer besides being Antioch's fire chief.

Huber and Wells will receive \$7.25 an hour. Being added to the public works department is Mark Erickson, who will receive the base pay of \$6.11 an hour.

### 75 more trees donated to park

Seventy-five more trees will be planted this week at the Antioch Sawmill in Gage Brothers Park, many of which were donated in memory of former Antioch residents.

Mayor Mike Haley said each tree contains a plaque indicating to whom the tree is dedicated. Antioch residents may donate a tree to the park in amounts ranging from \$59 to \$143.

Those interested in donating a tree may do so by contacting the village hall at 395-1000.

## Joins staff at Realty World

Julian "Jay" Dziki, owner of Realty World-Tiffany at 549 Lake St. has announced the addition of Rita Dituro to his staff.

Rita has lived on Lake Catherine the past six years with her husband, Vince, and their three children, Dave, Jim and Pam.

They are members of Antioch Evangelical Free Church. Rita has sold real estate for several years and considers herself a "listing specialist," especially regarding lakefronts.

Rita said, "I am extremely enthusiastic about my new association with Realty World-Tiffany."

Realty World is one of the few rapidly growing companies offering the advantages of a national image and central specialization to a network of independent brokers from coast to coast and in Canada, Mr. Dziki said.

RITA DITURO

"Proponents of the Realty World marketing system strongly stress the advantages of keeping abreast of the most up-to-date technology and communications skills which enable member brokers to offer customers specialized knowledge and many time and effort saving services," he added.

## McMillen Rd. too bumpy

The village of Antioch is seeking bids on the improvements of about 500 feet of McMillen Rd., which connects Rte. 173 and Antioch's industrial park.

There are two stretches of the road, one about 300 feet long and the other about 200 feet, which are extremely bumpy. The bad stretches are east of the high school football field and part of the Quaker Industries property.

Bids are to be opened at 8

p.m. on July 17 at the village hall.

Walter Shepard, superintendent of public works, said the road is built on 20 feet of peat. He said gravel will be compacted into the roadway and it will remain gravel for about a year, to see if it will stabilize the smoothness of the road.

In the 500 feet to be worked on, the present surface will be dug out to a depth of about 30 inches to allow for the gravel.

## Harrison, 19, killed after car rolls over

Stephen Harrison, 19, of Lindenhurst was killed early last Saturday morning when he was thrown from the car he was driving after it rolled over on Rte. 45, about one half-mile north of Grass Lake Road and south of Antioch.

He was taken to St. Therese Hospital and was dead on arrival, Lake County Sheriff's Department deputies said.

Harrison was alone in the car and was driving south on Rte. 45, deputies said, when his car went out of control, traveled on the shoulder of the road for 200 feet before

skidding and rolling over. The accident occurred at 2:26 a.m.

He was found 39 feet from the car, which then caught fire. The Lake Villa Fire Department put out the fire.

A Lake County coroner's jury has been impaneled to investigate the accident.

"Old age is a good advertisement." Ralph Waldo Emerson

**The  
Town  
Crier**

Marilyn Sterbenz, village clerk, won an airplane on a TV show in Las Vegas a few years ago. The problem was that she never received the plane and she wrote Action 7, ABC News about it. The TV station came out to Antioch Tuesday and interviewed her and her case is scheduled to be aired sometime this week. Be sure to watch for it at about 6:30 p.m., channel 7!

THE BEST ARGUMENT I've heard for letting the Equal Rights Amendment die was given by Patrick J. Buchanan, writing in the Chicago Tribune.

"No one knows what ERA will mean," he said, "except the judges and justices who will interpret it - the same judges and justices who have decided that the 1st Amendment forbids prayer in the public schools and the 14th Amendment requires forced busing for racial balance."

"If ERA is enacted, the U.S. Supreme Court will be conceded a power to remake American society in excess of any claimed by George III. And the citizenry will have no recourse at the ballot box - for federal judges and justices, appointed for life, are answerable to no one."

Buchanan called ERA "a wholesale power transfer from elected representatives to the federal courts."

## VISIT YOUR DENTIST in the morning.

You can better tolerate pain in the morning than in the afternoon, according to the May issue of The Journal of Clinical Psychiatry.

Pain (as mild electrical current) was applied to 22 workers and medical students who volunteered for the study at the North Chicago VA Hospital.

Doctors attributed the variation in pain threshold to natural biological cycles. These cycles, they said, should be taken into account when doctors prescribe drugs to kill pain. In other words, doses should be larger in the evening than in the morning. Also, you may be better off going to the dentist before work than after work.

IN THE "CARRYING THINGS too far" department, we learned yesterday that the Baltimore Sun, a newspaper, refuses to run the word "attractive" in its classified advertising section.

A classified ad was called into us from Columbus, Ohio, by a firm that seeks an "attractive, articulate person for local public speaking assignments." The lady who called noted that it's against the law for her to use the word "woman," so she has to say "person." And the Baltimore Sun told her that "attractive" is a feminine adjective, so she had to change it to "well-groomed."

"I don't get it," the lady said. "I happen to find some men attractive."

Classified ad: Wanted, Assistant Town Crier. Name your own hours.

Worst joke heard on Lake Street this week:

What do you call a person who crosses the ocean twice without taking a bath?

A dirty, double-crosser.

A newspaper dedicated to people marching to their own drummers.

BOYD

**the Pfarr Corner****Do you think Cutty Sark will believe my story?**

By JERRY PFAARR

The makers of Cutty Sark scotch whisky are offering \$1.8 million to anyone who can prove he has had contact with visitors from outer space ... which reminds me of the time a flying saucer landed in my backyard.

It came out of the sky like a huge fireball and when it landed I saw red lights flickering all around it. Then the lights changed from red to green and suddenly the saucer gave off a hazy blue glow.

"Very pretty," I thought, but "M-A-S-H" was on television so I went into the house.

THERE WAS a knock on the door.

"Come in," I said, and he did ... without opening the door.

He was a cute little fellow so I offered him a beer.

"Thank you, earthling," he said. "May the Force be with you."

"Want to watch M-A-S-H?" I asked. "Alan Alda is very good."

"I know," the little man said. "He's one of us."

"Don't you want me to take you to my leader?" I asked.

"I've met him," my visitor from outer space said. "He's one of us, too."

"That explains why he isn't one of us," I said.

HAVE ANOTHER BEER," I said.

"Thanks again," he said. "May the Force be with you, always."

"The Force" Not the Air Force, I hope. I have this fear of flying.

"What you need is a 4,000 mile-per-hour ride in my

saucer," he said. He waved his hand and suddenly we were out in the yard, inside his spaceship.

He had a racehorse there, and a little kid jockey.

"We're going to spring these on your people in 1978," the little man grinned.

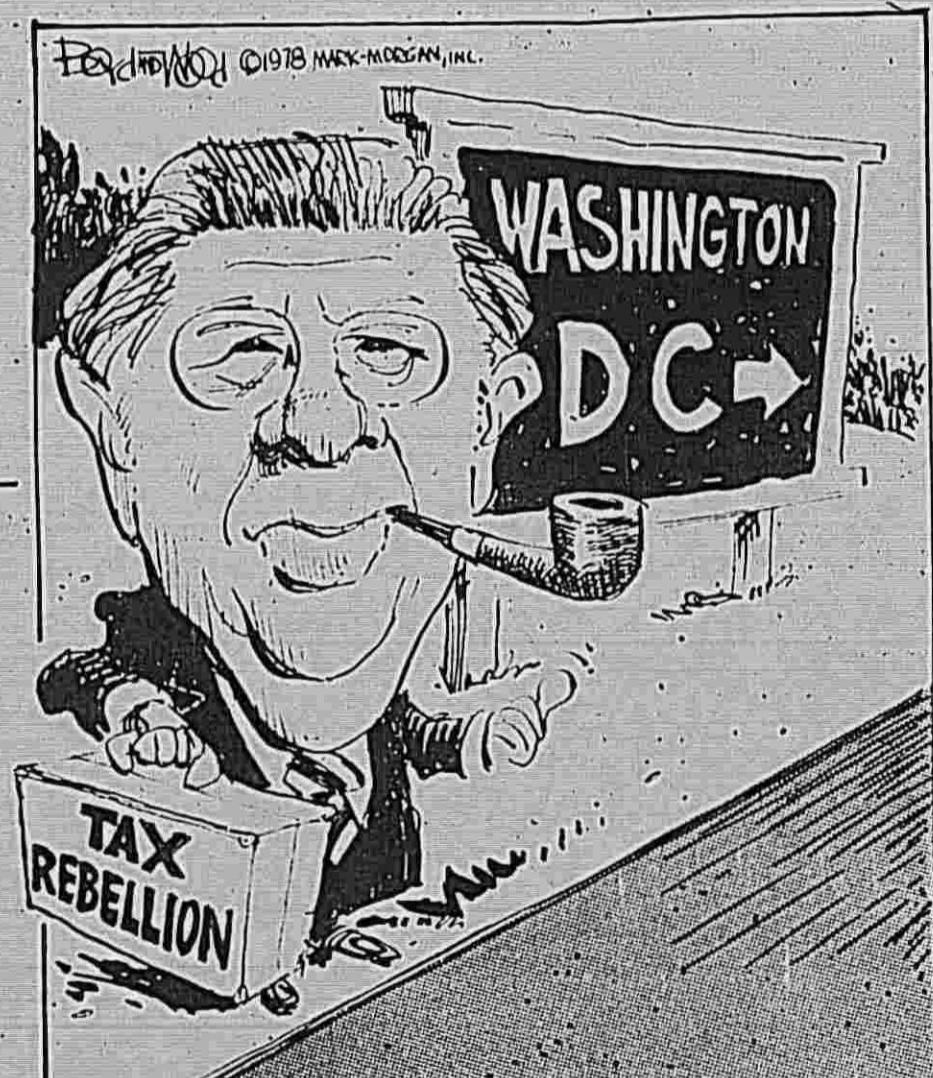

SITTING IN A CORNER with a dazed smile on his face was a 6-foot-4 robot dressed as a golf professional.

"That's Darth Sandtrap. We're going to drop him off when we land in Denver," said the little man. "We'll call him Andy North."

I looked around and was amazed to see that the inside of the flying saucer was an exact replica of a McDonald's restaurant.

"Yes," said my visitor from another planet. "The franchise is from our galaxy. Would you like a Big Mac? By the way, if you tell all this to anyone I'll call you a liar."

"It wouldn't matter," I said. "Everyone knows I lie a lot anyway. Please pass the french fries."

**GO EAST, OLD MAN...GO EAST!**

**Illinois claims 3rd largest state product**

The Illinois economy generated goods and services worth about \$110 billion in 1977 - the third largest gross state product in the United States, and larger than all but a few countries in the world. This is just one of many assets Illinois can be proud of. Lester Brann, Jr., president of the Illinois State Chamber of Commerce said

## All about town

By LINDA WALKER

You can sure tell Antioch is growing by the amount and size of all the real estate brokers in town. The firms we are familiar with are increasing their sales staffs and enlarging their facilities to accommodate the market.

Bill Kempski is a new broker in town. His firm, Chalet Realty, is situated right on Main Street in the former location of Martin Furniture. It is an independently owned office with a branch office in Waukegan.

A large sales force is in the making and applications for qualified salesmen are being accepted now. I'm sure a large staff is necessary to enforce their motto, "Everything we touch turns to gold."

Welcome, Chalet Realty.

WAYNE BLANCHETTE has been an avid tennis player for many years. So it is only natural that his television store at 917 Main Street is now carrying a complete line of tennis equipment.

Since Wayne is a member of the United States Racquet Stringer Association, he is qualified and has the equipment to restrung all makes of tennis rackets in the old and new Hybrid patterns.

Congrats on the new business, Wayne, it sounds like the smart thing to do with tennis being such a popular sport.

DON'T FORGET Sunday, July 2, - Antioch is the place to be.

A super parade will precede the dedication ceremonies at the community's Hiram Buttrick bicentennial sawmill.

The sawmill has been a two year project, but the end result is worth all the hard work and time. It definitely looks good.

Be a part of our salute to the sawmill in our special edition next week. Hopefully it will be as sharp as the mill itself.

RAY GLASSMANN WAS thinking all day last Thursday and finally had the courage to ask, "How do you suppose crosseyed teachers control their pupils?"

Bad you say? Well, at least it's clean.

### Will attend school in Wyoming

Edward R. Schlarbaum, 18, has been accepted in the automotive technician course at Wyoming Technical Institute, beginning in July.

The school in Laramie, Wyo., offers diesel, body, fender, paint, upholstery and a parts specialist class.

Edward is the son of Mr. and Mrs. Richard J. Schlarbaum, 315 Maplewood Drive, and a 1978 graduate of Antioch High School.

EDWARD SCHLARBAUM

TWO NEW BUSINESSES have opened at the Park Avenue Mall - the Gilded Cage, offering original oil paintings and wallpaper; and Suofora's Studio of Hair, featuring men and women's hair styling. The mall, owned by Ray Scarpelli and John

Teresi, has four more stores to rent. It also has a walkway that connects with two other businesses, King's Rexall Pharmacy and The Little Gallery. Also shown in this photo is the new rear entrance to Barnstable's Department Store.

## The Time Machine

70 YEARS AGO: JUNE 17, 1908

FREELOVE COLONY BARS SERCOMBE - Because Parker H. Sercombe insists upon appearing in public minus his trousers the official ban has been placed on him by the Spirit Fruit Home colony, near Ingleside. He is not welcome at the place in his pink pajamas. The breach of etiquette committed by him at the Walt Whitman banquet, when he appeared in his pajamas, is the act responsible for his ostracism by the colonists.

The man who was in Chicago recently and claimed to be the real John Alexander Dowie has pulled up stakes and has gone to Minneapolis, where he is now making the same claims that he did in Chicago.

The village of Nunda has been wiped off the face of the earth and in its place is North Crystal Lake. The change took place last Friday night when the old Nunda village board unanimously granted the petition to change the name to North Crystal Lake. The change went into effect at once, and in accordance therewith the Herald this week appears under the name "The Crystal Lake Herald."

On Saturday evening, June 20, will be held the opening dance at Selter's Sportsman's home. A Chicago orchestra will furnish the music, and a good time is guaranteed to all. Admission is 50 cents ladies free.

Adam Roth is afraid of water, according to the divorce petition of his wife Anna. She declares, however, that on several occasions he has been known to take it as a chaser for the spirits of cheer, but even then he prefers his drinks "straight." Mrs. Roth's chief complaint is that Adam runs from water when it sparkles in a bath tub or basin. She declares that Adam has not taken a bath since their marriage in 1901.

C.E. Herman's hotel was well patronized over Sunday. Grandpa Herman is not in very good health at the present time.

40 YEARS AGO: JUNE 23, 1938

A Boy Scout, 11, was given credit for saving the life of his 9-year-old sister yesterday afternoon at Indian Point on Fox Lake. The lad is Bertram Colbert, son of Mr. and Mrs. Bertram Colbert, Sr., of Chicago, who is vacationing with his sister, Edith, at the home of their grandfather, Peter Brockman, at Indian Point.

Beryl Bonner, 12-year-old daughter of Mr. and Mrs. Leslie S. Bonner of Millburn, received her certificate for having the highest scholastic standing of any of the 399 pupils in the rural and village schools last week from W.C. Petty, county superintendent of schools.

Antioch's oldest citizen is dead. Mrs. Rockwell D. Emmons, known to hundreds of residents throughout Lake county as "Aunt Sarah" passed away last evening at her home at 393 Lake street which has been her home for the past 45 years. Aunt Sarah had completed a life span of 100 years, 4 months, and 5 days, and she was the only centenarian of record in this locality. She had been a resident of Antioch for 93 years. She came to Antioch at the age of four. Her husband was formerly postmaster in Antioch, operating the service in connection with his general store. On the occasion of her last birthday she recalled the early days when Chicago was considered a worthless marshland, and Antioch was only a few scattered houses along the Sequoit creek long before the town had a name.

20 YEARS AGO: JUNE 19, 1958

The Sea Otter Fiberglass Boat Co., Inc. has moved its factory here from Chicago and is situated in a large barn on E. North avenue formerly used as a skating rink. The building was originally a part of the Kinner estate. John L. Prather is president of the company.

Antioch Theatre present "Bridge on the River Kwai" starring William Holden and Alex Guinness.

Rep. Marguerite Stitt Church, will be the guest of honor at the dedication of the new post office at Lake Villa at 3 p.m. Saturday. The new office is on Cedar avenue in a building erected by Earl and Evelyn Hucker and leased to the government. Through this arrangement the community will realize a tax income and the federal government need not spend money for construction. Joseph Hucker is Postmaster.

10 YEARS AGO: JUNE 20, 1968

Fifty-eight senior citizens of Antioch Township, age 62 and up, registered at the Antioch Village Hall last Thursday, June 13, expressing interest for the Low Rent High Rise Apartment for the elderly to be located in the village of Antioch.

A dinner-meeting audience applauded the presentation of graduation certificates to ten 4-H members who completed the Toastmaster International Youth Training program. From Antioch was Judy Hevrdejs, of the Sequoit Suzies Club.

# New school costs flexible

The Antioch Grade School board, District 34, decided to permit bids for the kindergarten through fifth grade school building project to be accepted in excess of the approved budget.

This would allow for an option of picking up more

building alternates.

Ronald Chilcote, business manager, explained that the board met in a special session June 13 to discuss bids for the school to be built west of Tiffany Road and north of the Upper Grade School.

A tentative date for completion of the school is the fall of 1979.

CHILCOTE SAID THE present budget is \$1,854,322 for the building project but, if bids come in at a lower figure, this would allow the board the option of picking up additional alternates for the school's construction.

He said the new school will be built "to alleviate the overcrowded situations in other schools."

"We will eventually close Channel Lake school and remove all the portable classrooms at Oakland," he said.

Also, in the June 6 meeting, the board members accepted an order for the completion of the firm alarm renovation at Antioch Lower Grade School for \$2,182 to Arlington Electrical Construction Co.

They also accepted a decrease in the amount for the tile-water drainage project at Oakland which will save the district \$2,471. Chilcote said the board found a way to "do the project ourselves."

ALSO, BOARD members placed Louise Gutowski, head cook at Channel Lake School, on temporary disability leave. She will be replaced by another cook, Chilcote said.

They are also contemplating hiring Jennice Fritz as a learning disabilities teacher for next school year at a salary of \$11,424. The motion to accept her contract has been tabled for further review.

The board went into executive session for two hours and 15 minutes to discuss the budget for the new grade school building and contract negotiations with teachers.

Last night the board was scheduled to discuss the negotiation status for teachers' contracts.

They also were scheduled to discuss the extension of time applications for school buildings to be in compliance with life-safety regulations by the state and the progress of bonds sold for the new school.

Nostalgia is longing for the place you wouldn't move back to.

### When trouble hits, we're in your corner

AIRMAN Daniel J. Nolan son of John J. Nolan of 843 Tiffany Road, Antioch, has graduated at Lackland, Tex., from Air Force basic training. He is remaining at Lackland for specialized training in the security police field.

We have stalled every Country Companies office located in Farm Bureau buildings with a claims representative. And since we're always around the corner, we can quickly settle auto and homeowners claims.

In fact, more than half of all auto and homeowners claims are settled in seven days or less. A Country Companies claims representative can usually write you a check for repairs on the spot. See your Country Companies agent soon for all the details on our fast claims service. Then if trouble ever hits, we'll be in your corner.

**THE FIRST HAIRCUT** at Suofora's Studio of Hair was given by Tom, Suofora to Ray Scarpelli. Above, Tom cuts and then styles with the aid of a blow-dryer and, at right, they admire the finished product. Suofora's Studio of Hair is a new business in the new Park Avenue Mall in downtown Antioch. Tom and his staff offer men's and women's hairstyling, scalp treatments, coloring, manicuring and facials.

## 2 summer weddings are planned

Wedding plans have been announced for Donna Lynne Rakushin and Michael J. Koob, and Barbara Dodd and James January.

Miss Rakushin and Mr. Koob are planning a mid-July wedding in St. Bede Church in Ingleside. The bride-elect is the daughter of Mrs. John Rakushin of Ingleside and the late Mr. Rakushin.

Miss Rakushin earned her degree at Illinois State University in Normal and is employed as a primary learning disabilities teacher at Sunny Hill School in Barrington.

Her fiance holds a master's degree in civil engineering from the University of Illinois in Champaign. He is a structural junior consulting engineer in Northbrook. His parents are Mr. and Mrs. Argyle Webster of Palm Springs, Calif., formerly of Antioch.

MISS DODD and Mr. January will be married in mid-August in the Antioch United Methodist Church.

The bride-elect is attending Illinois Wesleyan University School of Nursing in Bloomington, where she is a member of Alpha Tau Delta sorority. She is the daughter of Mrs. Douglas D. Dodd of Antioch and the late Mr. Dodd.

Her fiance is studying industrial technology at Illinois State University in Normal. He is the son of Mr. and Mrs. Ernest January of Antioch.

## Judy Cook ends term as senior regent

By JERRI POLSON

Judy Cook last week conducted her last meeting of the year as senior regent of the Antioch Women of the Moose.

Judy will serve as Junior Graduate Regent when the new year begins July 1.

A favorable ballot was cast for Joanne Precht and Susan Hendriksen. They will be enrolled in the near future.

Gifts were given to June birthday marchers: Karen Bartuska, Estelle Gatch, Helen Lovell and Lolly Maloney.

Ritual practice for new officers and chairmen, also escorts, will be at 7:30 p.m. Thursday. The chapter has been issued a new ritual, with many changes in speeches and ritualistic work. All members are welcome to attend.

College of Regents night is July 6. Several guest chapters have been invited to welcome Antioch's newest collegian, Stephanie Polson. Dorothy Tralewski will have her green tassel changed for a red one after one year as a member of the College of Regents and Judy Page and Erna Toft will receive their red stoles, having completed four years as College of Regent members.

The publicity committee presented Judy Cook with a scrapbook and photo album, which holds mementoes of her senior regent year. The chapter gave her a Woman of the Moose ring, and Norma Lowe received her graduate regent pin.

## Today's Brighteners

We know a man who is keeping himself physically fit by carrying his wife's exercise and diet books around the house.

If there is anything worse than a parent who forgets what it is like to be young, it is one who remembers.

Mother Nature is very thoughtful. When we reach the sitting around stage in life she provides us with a larger cushion.

## Water main bids sought

A 500-foot water main extension is being planned on Poplar Ave. and Cheri Lane in Antioch.

Bids will be received at the village hall until 8 p.m. on July 3, when they will be publicly opened and read.

Walter Shepard, superintendent of public works, said the water main will be extended from Cheri Lane to Poplar Ave. and then on to Main St.

**LUCILE RETIRES** - The Antioch Savings & Loan Association has announced

the retirement of one of its long-time employees, Mrs. Lucile Eberman. Mrs. Eberman became part of the thrift institution 12½ years ago. She served as a teller in the savings department and later became an officer of the association. A resident of Antioch, Mrs. Eberman was a part of the S&L during its early stages of growth and will be missed by fellow employees and the many customers that she served through the years, President Thomas Kelly said. Mr. Kelly commented, "We all will miss Mrs. Eberman and, on behalf of the association, I extend best wishes and a pleasant retirement."

## Antioch Savings offers high-yield certificates

Savers at Antioch Savings & Loan Association will be able to earn a compounded interest rate of 8.45 percent on long term deposits, President Thomas J. Kelly announced Tuesday.

To earn the rate, savings must be left on deposit for terms of eight years, and interest left to accumulate.

The new certificates are being sold in denominations of \$1,000 or more. The certificates are federally insured up to \$40,000.

KELLY SAID THE NEW interest rate was authorized by the Federal Home Loan Bank Board on May 11.

"This new ruling also allows the T.R.A.-KEOGH retirement accounts to automatically carry this new higher interest rate, with an annual tax free yield of 8.45 percent," he said.

"Until now, the highest compounded interest rate savers could earn under federal regulations was 8.17 percent on six year certificates," said Kelly. "But with the new authority just granted, we will be able to help our long term savers earn an even better return."

KELLY ADDED THAT the long term certificates will also be helpful to home buyers because they will enable

the association to stretch the terms of some savings capital, matching more closely the long terms of most mortgage loans.

He said certificate holders can withdraw earnings without penalty at any time. Deposits can also be withdrawn before maturity, but subject to an interest penalty required by federal regulations. The withdrawn deposits would earn interest at 5½ percent, less 90 days interest.

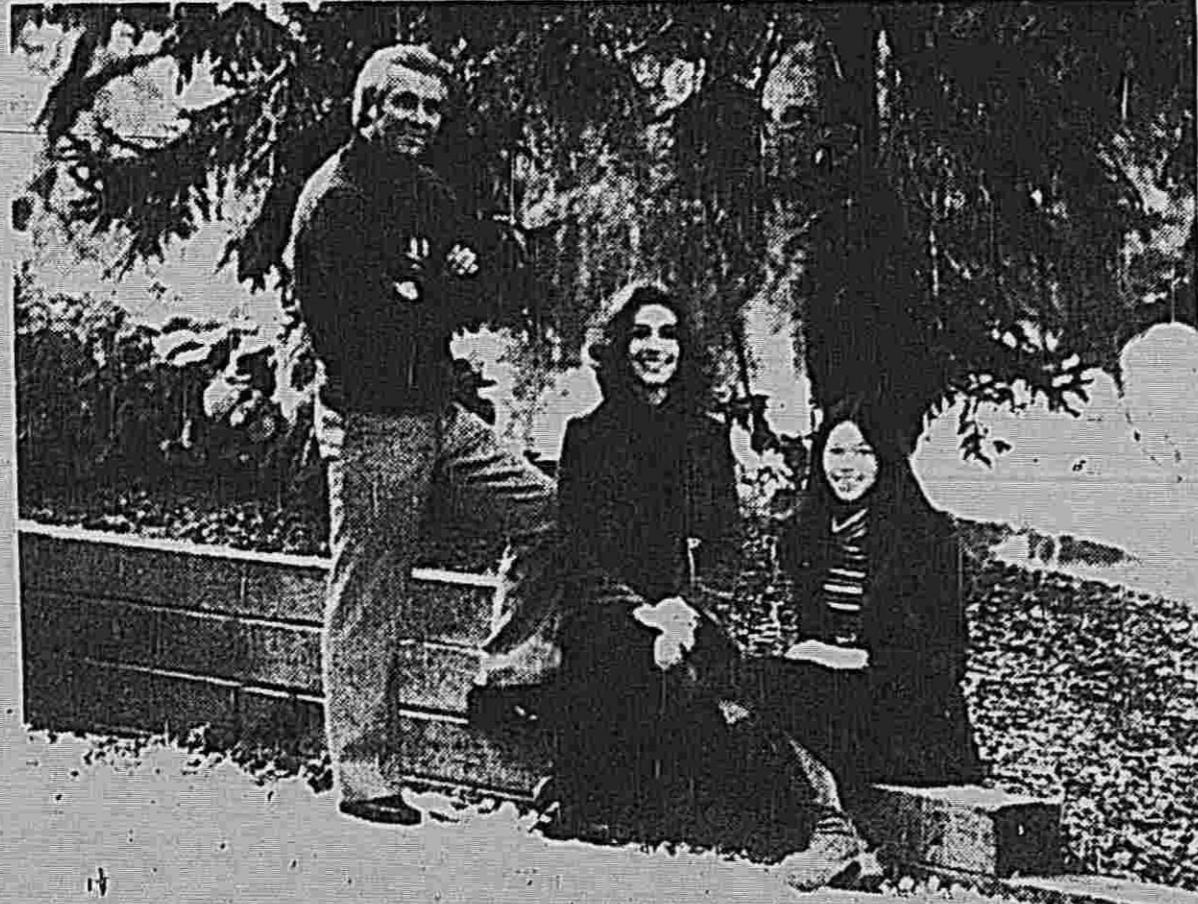

A second new type of certificate account, also federally insured to \$40,000, is being offered in denominations of \$10,000 or more for terms of six months.

This certificate will earn interest at one-quarter percent above the average weekly auction rate paid on six-month U.S. Government Treasury Bills.

Last week's average rate was 7.12 percent, which means that the Savings & Loan Association can issue these six-months certificates at 7.37 percent.

Kelly added that "this revolutionary account allows the Savings & Loan industry to remain competitive with the Treasury in the short term money market. This certificate enables savers to earn an interest rate higher than Treasury, with the flexibility of a short term commitment."

## Bid opening date delayed for Pleviak

Peter J. Palombi, superintendent of the Lake Villa School District 41, said that due to the problem the school board has had in obtaining bids on the reconstruction of Pleviak School, opening of bids will be delayed one week until 3 p.m. June 28.

He said the meeting on June 28 will recess after all bids have been opened and will continue at 2 p.m. June 29 in order to give the architect time to review the bids.

All contractors who are bidding on the project will be notified of the new bid opening date, he added.

## Stolen car found, 2 youths arrested

Two Lake Villa teenagers were arrested last Wednesday and charged with possession of stolen property after Antioch police found a stripped car in a Lake Villa field.

Michael G. Patsis, 18, and Gregg J. Dunkin, 17, were questioned and taken to Lake County jail.

Chief Chuck Miller said Vickie Peterson of Kenosha reported her 1969 Ford Mustang stolen from the Quaker Industries parking lot on June 10.

On June 14, Antioch police learned that the vehicle was stripped and located in a field near Monaville Rd. and Alberta Ave. in Lake Villa. On a tip, Lt. Tom Fisher and Sgt. Charles Watkins found Patsis sleeping in a car in a field in the Lindenhurst area.

Police found parts from the stolen Mustang on Patsis' Mustang, Miller said. Patsis then implicated Dunkin in the theft. He had stolen parts on his car also.

After questioning, both confessed to confiscating and stripping the auto owned by Peterson.

Patsis was taken to Lake County jail after a bond hearing and remains there pending Antioch charges. He is also wanted in Walworth (Wis.) County for grand theft, police said.

Dunkin was charged with theft and was freed on a recognizance bond but is pending arraignment.

Police said Patsis also admitted being involved in the theft of two vehicles from Antioch car lots last year.

## Revenue sharing hearing set

Continued from page 1

sharing the cost of recording equipment to be used in the 911 emergency system.

The 911 system is a new telephone number to report all emergencies for fire, police and rescue squads. The easy three-digit number for the public to use should be in effect Oct. 16. Garnet Cook, communications supervisor for the Antioch police department, demonstrated the recording equipment Monday night to village officials.

OTHER REVENUE SHARING requests include about \$17,000 for the sidewalk program contracted last year, about \$37,000 for a new dump truck, \$10,000 for landscaping the new Gage Brothers Park and \$5,000 for general park repairs.

Also included is \$800 for a new scoreboard for the Little League baseball field.

PARK PERMITS WERE approved at Monday's village board meeting for the July 8 Rescue Squad picnic and the annual Lions Club chicken barbecue and auction to be held Aug. 6. The rain date for the Lions is Aug. 13.

Walter Shepard, superintendent of public works, told Mayor Michael J. Haley and the trustees that extensive repairs must be made this fall to the bathhouse of the Aqua Center. Cracked walls are among the things to be repaired.

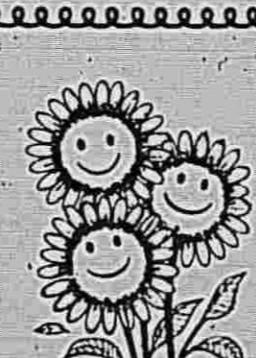

JUDY PHILLIPS, REPRESENTING the village zoning board, presented her group's recommended amendments to the zoning code.

A joint committee of zoning board and planning commission members drew up the recommendations, which especially require more parking space around restaurants.

Mrs. Phillips said that Andrew Lynch, village attorney, is drafting a proposed amendment on fences in residential districts and rear-yard setbacks in manufacturing districts where parcels of land abut two streets.

## THREE NEW ACCOUNTS THAT PAY

8 year, 8.45% yield, Certificate of Deposit.\* Now you can get 8% interest (8.45% yield if you leave the interest to compound) on our new 8 year term certificate of deposit. Open this account today for as little as a \$1,000.

**THE MONEY MARKET CERTIFICATE:**\* Brand new! Here is a new account that will make it possible for you to get better interest rates than a current 6 month Treasury Bill. Your rate is set based on a weekly average of a 6 month Treasury-Bill plus  $\frac{1}{4}$  of 1% added on to that! Better yet, there are no fees paid to obtain this account as compared to purchasing a Treasury Bill at a bank. Now there is no need to ever move funds to get the best yield on your money. Keep it in this new account that pays. Open your account with a \$10,000 minimum deposit for a 6 month term.

**5 1/4% GOLDEN EAGLE "PASSBOOK" ACCOUNT:**\* The highest paying account of its type allowed by law. Open one for as little as a \$1,000. Savings may be added at any time and earn interest from the date of deposit. Money deposited by the tenth, earns interest from the first day of the month. You may withdraw money without notice within ten calendar days after an interest payment date, providing that it has been on deposit for a calendar quarter.

Come in or call us for complete details.

\*Rate will revert to regular passbook interest, less 90 days interest if redeemed before maturity.

## Plans made for Summerfest

The Antioch Chamber of Commerce and Industry will hold its 6th annual Art, Craft and Antique Fair along with an "Antioch Community Summerfest" on Sunday, July 9, on Broadway between Lake and Orchard streets.

To open the festivities, the Chamber will serve pancakes, sausage and coffee from 7 a.m. to 11 a.m. while the artists set up their displays.

From 12 noon until about 5 p.m. there will be entertainment by PM&L Theatre, Tom Hubbard the Magician, the Lake Promenaders square dancing group, and clowns.

At 6 p.m. there will be a water fight demonstration by the Antioch Fire Department.

FOOD WILL BE available all afternoon at the festival site. Tables and chairs will be set up on the street for viewing the entertainment and resting.

Pat Sershon, chairperson for the event, said the Chamber is also planning a raffle during the day. Both raffle tickets and breakfast tickets can be purchased from Chamber members.

"Look for the big yellow poster in a chamber-member's window or office. Come for breakfast and stay for the whole day," Mrs. Sershon said.

BRANDON ABEAR, a 1974 graduate of Antioch High School, received a bachelor's degree in physical education from Monmouth College on June 3.

Abear is the son of Mr. and Mrs. Manuel Abear, now of Libertyville. He achieved the honor of being named to the dean's list at his school for spring semester.

Also, he student-taught for one semester at Round Lake High School as a physical education instructor and coach under the direction of a former Antioch High varsity football coach, Mr. Bartosz.

## Renaissance Faire workshops offer forums on crafts, art

Several informative workshops designed for interested artists, craftsmen, entertainers and members of the general public have been scheduled to convene both before and during this summer's Sixth Annual King Richard's Faire.

These workshops, designed by entertainment director John T. Mills, will include such period topics as calligraphy, British dialects and costuming of the Renaissance. Four of the five workshops will take place one week prior to the faire's opening day, July 1, and one will convene during the third faire weekend; all will begin at 7:30 p.m. on the faire site, near the Russell Road and I-94 interchange.

The primary purpose behind the workshops, according to Mills, is to provide nightly forums in which interested artists, craftsmen, entertainers and members of the general public can discuss specific renaissance-related topics designed exclusively for that evening.

Each workshop will feature an individual or a group of experts that will present a program aimed at creating a better awareness among employees and the public about specific period topics, Mills said.

The first workshop, scheduled to meet Monday, June 26, will deal with customs and manners of the Renaissance. The workshop will concentrate on the histori-

cal perspective of such customs, covering everything from table manners to witchcraft.

On the following night, Tuesday, the nightly workshop will focus on calligraphy, (handwriting) its origins, styles and practical applications. Much of the evening will be devoted to personal instruction.

On Wednesday, the third nightly workshop will feature a program on costuming and dress during the Renaissance. The evening's discussion and demonstrations will center mainly on the costuming differences between countries.

The fourth workshop, which meets on Thursday, will deal specifically with the various speaking dialects of Great Britain, from both a practical and a historical perspective.

The final workshop will meet after the faire closes on Saturday, July 15. This workshop will feature a panel of three or four lawyers specializing in creative arts law. The program is designed primarily for those wishing to know more about their rights under the law concerning the creation of a particular product.

For more information about these workshops, contact John T. Mills, P.O. Box 432, Lake Forest, Ill. 60045. Or call (312) 689-2800.

### Movie course to be offered

Motion pictures will be the subject of a new course to be offered this fall at the College of Lake County in Grayslake.

The course, "Introduction to Film" (Humanities 123) will offer three semester hours of transfer credit.

During the 16-week class, 14 classic movies as well as some experimental films will be shown and dis-

cussed. Films to be reviewed will include On the Waterfront, Psycho, Citizen Kane, Double Indemnity and Chaplin's Gold Rush.

Two sections of the course will be offered; the first section will meet from 11 a.m. to 1:45 p.m. on Tuesdays, and the second will meet Tuesdays from 7 p.m. to 9:45 p.m. Persons may register for either

class section; both are scheduled to begin August 29.

Information about the new humanities course is available from the College's Humanities and Fine Arts Division at 223-6601, Ext. 377. Registration for fall classes at the College of Lake County begins July 3 with appointment registration.

# Along the way with ANNIE MAE

On Sunday, just get me to the church on time!

I'll be out Saturday, doing the hustle at the annual Firemen's dance.

Hear tell it starts at 9 p.m. and I don't remember exactly when it ended last year.

They're closing Broadway St., from Orland to the water tower. I hope the firemen's wives don't get mad when they see me dancing with their husbands. I'm just trying to help them raise money for helmets, raincoats, boots and gloves - to help them fight those nasty fires.

Shirley Gutowski reminded me that this will be the last firemen's dance at the old fire station. We imagine the event will be held on Turner's Drive next year. Shirley also recalls that we always get good weather for the dance - so why not this Saturday, too?

See you there, I hope!

IT'LL BE A "HOT DOG" time at the sawmill on Sunday, July 2. After dedication ceremonies, the Rotary Club will be selling hot dogs and soda pop. The Lions Club,

meanwhile, in a joint venture with the Rotarians, will set up a bar at the new park. So, y'all come out -- there will be plenty to eat and drink.

## Rev. Cummings to be speaker at Free Church

Rev. Joy Cummings of Turlock, Cal. of the Evangelical Free Church of America, will speak at 11 a.m. and 7 p.m. Sunday and 7:30 p.m. Monday through Wednesday at the Antioch Evangelical Free Church, Tiffany Road and Highview Drive.

Pastor Bernard C. Fosmark of the local congregation will preside at the July 26-28 Family School of the Bible to which the public is invited.

Cummings has a background of experience that has schooled him in the work of evangelism. He has been an ordained minister and evangelist for many years serving churches in several states.

Cummings has conducted youth camps, Bible conferences, Sunday school rallies and over 700 family evangelistic crusades across the United States and Canada. The past 12 years he has been a Home Missions' evangelist for the Evangelical Free Church of America.

Cummings uses a professional ventriloquist figure especially designed for him, Cousin Willie, that has been carved out of wood.

He also uses object lessons with surprise endings to illustrate Bible truths. In every service Cummings brings a crystal-clear gospel message, Fosmark said.

The Home Missions Department of the Evangelical Free Church of America recommends the life and ministry of Cummings, he added.

REV. JOY CUMMINGS AND 'COUSIN WILLIE'

### HAPPENINGS

THE REGULAR monthly meeting of the board of education of Antioch Community High School, District 117, will be held Thursday at 7:30 p.m. in the board room.

A VARIETY of clothing, household items and collectibles will be offered at a rummage sale sponsored by the ladies of St. Ignatius Episcopal Church from 9 a.m. until noon Friday in the parish hall, 983 Main St.

Women of the parish are encouraged to search their closets and cupboards for things to offer at the rummage sale.

## Astro-Analysis

By Sonia

**ARIES** [March 21-April 19] - Use intuitive powers as a helpful guide with decision making matters. Opportunity offers new direction, changes in plans. Use time wisely, constructively.

**TAURUS** [April 20-May 20] - Not a week to show extravagance; keep a tight rein on the purse strings. Snap decisions are unwise although others may try to persuade you to take chances.

**GEMINI** [May 21-June 21] - Decline business offers for the present, postpone consummating legal affairs. Use the week to re-evaluate your present situation.

**CANCER** [June 22-July 21] - Forget petty grievances with one who may be somewhat scheming by our terms. Consider changing the scenery; short travels are now favored.

**LEO** [July 22-August 21] - Think carefully before taking the advice of well meaning friends, use your own good judgment instead. New undertakings require more of your time and energy so prepare for a heavier workload.

**VIRGO** [August 22-September 22] - A week to conserve energy as vitality may not be at its peak. Enjoy a quiet week with those you dwell with, exchange ideas, talk over new ideas.

**LIBRA** [September 23-October 22] - You are now keenly receptive; an excellent time for taking up a new course of study. Let creative talents take the lead, new undertakings can now be profitable and lasting.

**SCORPIO** [October 23-November 21] - Mixed planetary aspects make it difficult for you to keep a level head in business transactions. Listen to new ideas and offers, lay the groundwork now but bide your time.

**SAGITTARIUS** [November 22-December 20] - Shop for attractive new attire to match your pleasant disposition. Don't tire yourself needlessly on fruitless endeavors.

**CAPRICORN** [December 21-January 20] - A few close to you may seem a bit overbearing; avoid associations that tend to dominate. Although current responsibilities should be taken seriously, you should set aside time for recreation.

**AQUARIUS** [January 21-February 19] - Keep careful count of expenditures; you can easily go overboard with spending. Be attentive to advice you receive. You gain insight by communicating your aim.

**PISCES** [February 20-March 20] - Be willing to look at your financial situation with objectivity; make the necessary changes needed for improvements. You have the potential for making insight

KIDS AGE SIX TO 14 line up in anticipation of the State Bank's bike rodeo held Wednesday in the parking lot. Over 140

children participated in the contest which was designed by the bicycle safety program of the secretary of state's office.

## Skill, safety awarded in bike rodeo

More than 140 children ages 6 through 14 participated in the bicycle safety rodeo held last Wednesday afternoon in the parking lot of the State Bank of Antioch.

The bike rodeo was sponsored by the State Bank in conjunction with the bicycle safety program of the office of Alan J. Dixon, secretary of state.

State Bank officials and members of Antioch's park and recreation department helped organize the event as timekeepers, scorers, registrars, judges and bike inspectors. Antioch policemen were also on hand to register bikes with the village.

THE CONTEST CONSISTED of seven skill tests which were designed to provide youngsters with an opportunity to demonstrate their ability to ride safely and gain confidence at the handlebars.

Those skill tests included mount and dismount, circling and changing direction, straight line control, weaving, maneuvering to avoid obstacles, stopping ability, short radius turning and slow speed.

Each test awarded a high score of 10 points with points deducted for faulty moves.

THE WINNERS RECEIVED large trophies, with an award given to the three highest places in each of the girls' and boys' division in three age categories.

The grand champion was Ed Poulos, who also received a 10-speed bicycle.

Other senior winners in the 12 through 14 division were Ken Watson, second place, and Mark Maglio, third place. Girls who received trophies were Debbie Morris, first

Please turn to page 13

**SENIOR WINNERS IN THE** bike safety rodeo age 12 through 14 include front row, left, Mark Maglio, third place; Ken Watson, second place, Ed Poulos, grand champion, and back row, Roxan West, third place, Roberta Maglio, second place, and Debbie Morris, first place. George O'Connell, left, director of bicycle safety for Alan J. Dixon, secretary of state, helped organize the activity along with Sue Koppa, director of parks and recreation for Antioch and Jack Fields, vice president of the State Bank.

INTERMEDIATE TROPHIES IN THE bicycle safety contest for boys and girls' age nine through 11 were presented to Dave DeRousse, front row, left, third place winner, George Hickey, second place, Bill Clark, first place, and back row, Indus Gagnon, first place, Maurine Justad, third place and Annette Watson, second place. State Bank officials who awarded trophies include James Swiatek, left, executive vice president, Carolyn Blanchette, assistant cashier and Richard Daniel, senior vice president.

JOHN WOLF, STATE BANK auditor and Jean Rockow, assistant cashier, are two of the bike safety rodeo officials who awarded trophies to junior bike safety winners. Juniors, age six through eight include front row, left, Mickey Fox, first place, Lee Pearce, second place, Ian Westberg, third place, and back row, Tammy Princing, third place, Jenny Morris, second place and Joanne Techert, first place.

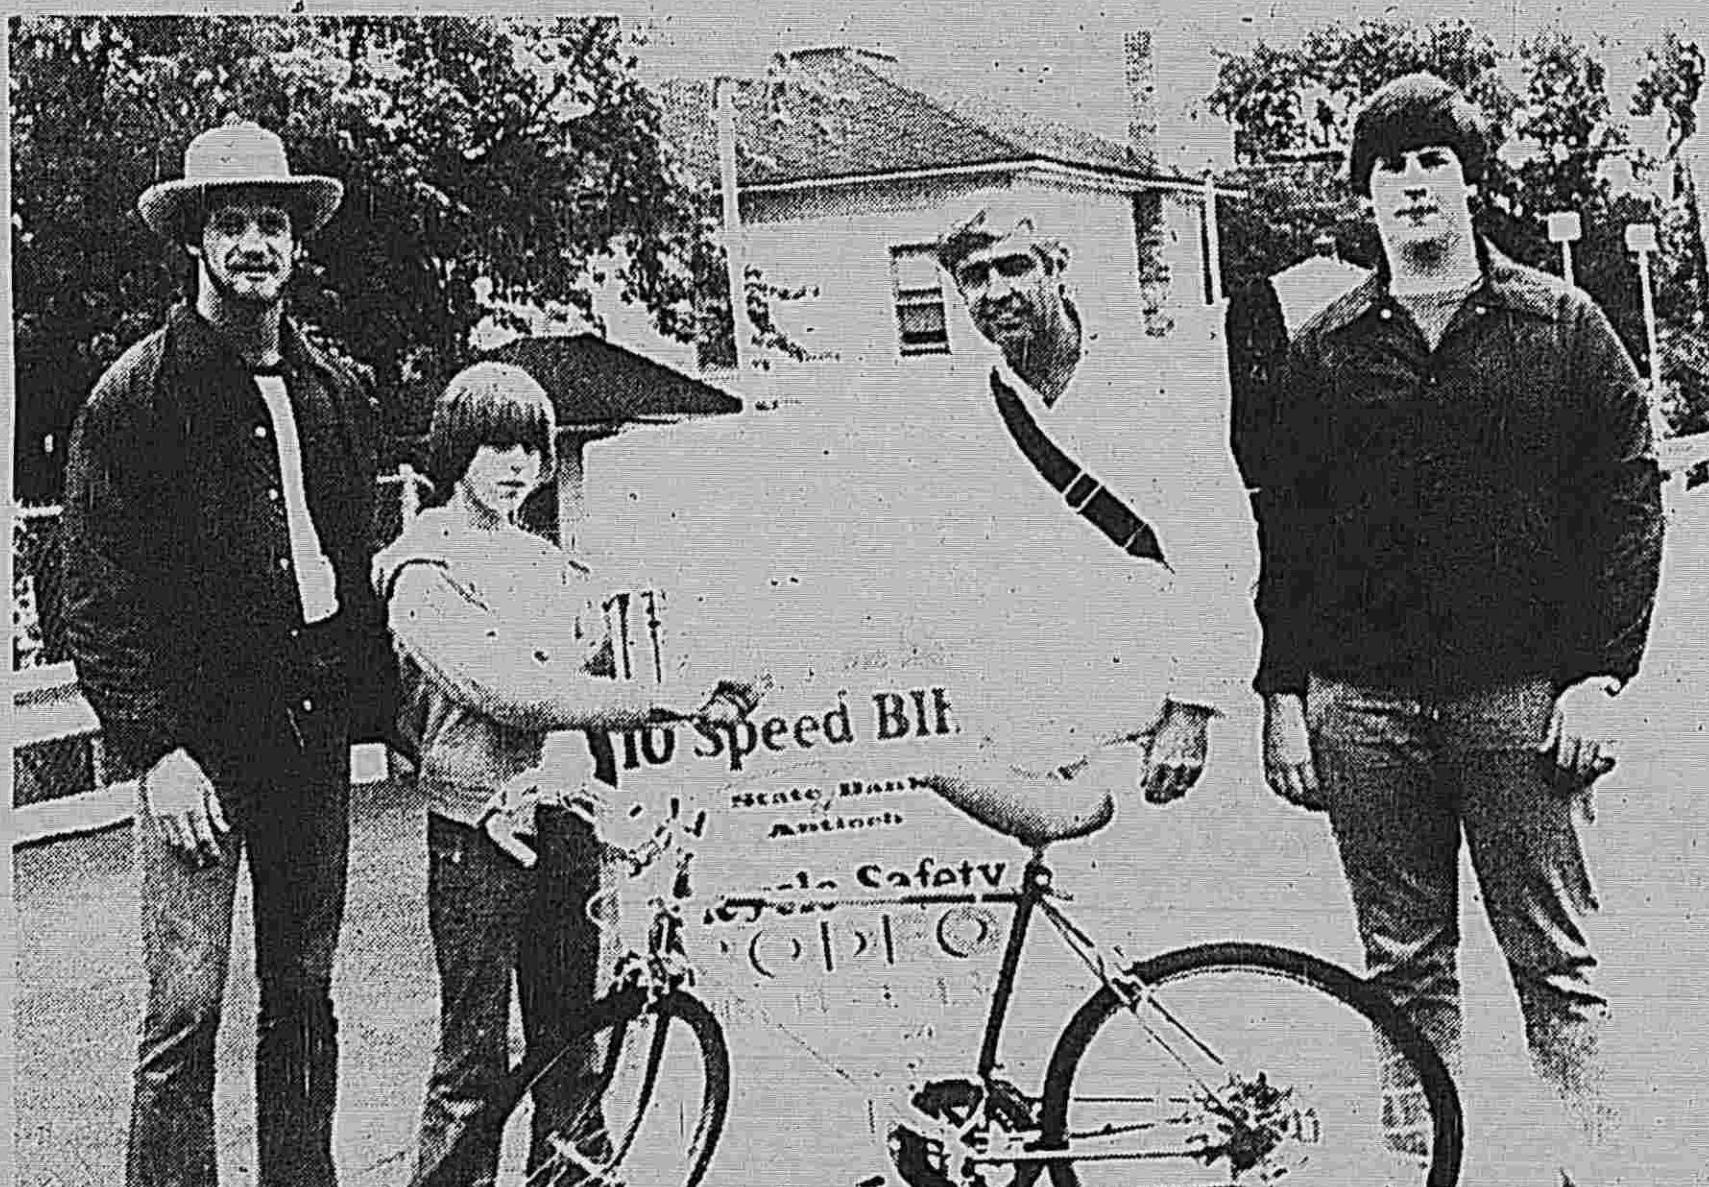

EIGHT-YEAR-OLD Cindy Doty carefully maneuvers her bike through the figure eight course, "Circling and Changing Direction" in the bike safety rodeo. State Bank Asst. Cashier Wally Jaszkowski keeps score.

JOHN WOLF, STATE Bank Auditor, hands Rob Stecher, 9, his bike rodeo ticket for completing the "Stopping Ability" course

as bank employee Sandy Witthuhn looks on. This course tested the driver's ability to stop in an emergency.

STATE BANK VICE PRESIDENT Preston Reckers congratulates Ed Poulos, of Antioch, grand prize winner in the bicycle safety rodeo held last Wednesday. The grand champ received a ten speed bike and

a trophy for achieving the highest point total in the seven skill tests. Also pictured are bank staff members Dave Lagerstrom and John Burnett who helped out to assist the rodeo.

PARTICIPANTS IN THE STATE BANK sponsored bike rodeo get ready for three of the courses mapped out in the bank's parking lot. Course number one was "Mount and Dismount" course two was "Circling and Change in Direction" and course seven was "Slow Speed."

**IN VICTORY MEMORIAL Hospital** - that's where Gregg Pahlke of Antioch received his eighth grade diploma from the Upper Grade School. Gregg was in traction for several weeks after a trail bike accident and couldn't graduate with his classmates, so his parents - George and Marg - arranged for surprise "graduation ceremonies" in the hospital. Principal Bill Herbst let them take the diploma to Waukegan. Gregg is home now and will enroll at Antioch High School in August.

## SPORTSMAN'S CORNER

Fish caught in the Fox River on the outskirts of Chicago have almost 16 times as much cancer as do fish caught in Lake of the Woods, Ontario.

What makes the difference is pollution, according to a University of Chicago medical school researcher.

Dr. Eric R. Brown said he compared the cancer rates of six kinds of fish in the two kinds of water. He stressed there is no evidence that fish cancer can be transmitted to humans.

THE FISH WERE walleye, northern pike, brown bullhead, catfish, sucker and carp. Overall, less than half a percent of the fish from Lake of the Woods had cancer, while almost 7 percent of the fish from the Fox River had cancer.

Brown bullheads from the Fox River had the highest rate of cancer - 13.37 percent.

Dr. Brown and his researchers also found that fish taken from the Fox had more than three times as many

infectious diseases, on the average. The worst was pike. More than a third fished from the Fox had an infection known as black spot disease.

THE FOX RIVER has heavy population densities along its 170-mile perimeter; it also receives waste from industries along the banks. However, the banks of Lake of the Woods are sparsely inhabited and have little or no industry. It is primarily a vacation area.

"Efforts of the state and federal governments to reduce pollution in the Fox River have not been entirely successful. The organic compounds first noted in 1971 are still present often with two-fold increases in concentration," Dr. Brown said.

He said this is particularly true of the chemicals involved with insecticides, fertilizers and solvents, which are still present at unacceptable levels."

### Soccer team getting better

After playing indoor soccer during the winter in the high school gymnasium, the Antioch soccer team played its first outdoor game in the Lake county youth league.

"They had very stiff competition as they played against Waukegan, whose players are very skilled at the game, having had soccer in the Waukegan school district for many years," said Coach Cornelius Lulofs.

Antioch started soccer last year, sponsored by the parks and recreation department. Because of this, and first game jitters, Antioch lost 4-0.

"It is a very different game played on grass. The ball travels much faster in a gym, and there are 11 on a team outdoors but only 6 in indoor soccer," Lulofs said.

In the second game, against Zion, some saves by goalie Mike Jackson helped Antioch win 2-0.

This was the last game here for Addie Jonssen, the Rotary Club exchange student from Iceland, or "Icy" as he is called by his teammates.

"He will be greatly missed. He is very skilled since soccer is the national sport in his homeland," Lulofs said.

FOR ITS THIRD GAME, Antioch had a return match against Waukegan which ended in a 2-2 tie in rain and on slippery grass. Both Antioch goals were scored by Greg Krol, one on a beautiful header," Lulofs said.

The team now has a permanent soccer field at the Upper Grade School. Lulofs is also a semi-pro referee for the Illinois Soccer Association and president of the Illinois High School soccer referees.

Monday evenings, 6:30 to 8 p.m., is practice time for ages 14-19. Games are on Wednesday and Friday evenings. Grade school children participate too.

The next home game is against Libertyville tonight at 6:30 at the Upper Grade School.

### SAVE WEAR AND TEAR ON YOUR AIR CONDITIONER

SAVE EVEN MORE:  
INSTALL IT  
YOURSELF!

Air conditioners work more efficiently and conserve energy with the addition of power attic ventilation. By expelling damaging hot summer heat in the attic, less BTUs penetrate downward into the living area. The less heat to dispel, the less energy an air conditioner needs to cool your home. Power attic ventilators are easily installed with no structural modifications.

### ROOF-MOUNTED POWER VENTILATOR

### Speedway feature won by Gary Dye

Father's Day Night at the Waukegan Speedway Sunday saw fastest qualifier and trophy dash winner Gary Dye win the 25-lap Interstates Racing Association super-modified feature.

Heat winner Jerry Stanley won the 12-lap hobby stock feature.

Dye and super-modified heat winner Bob Robel renewed their battle of a week earlier but this time the roles were reversed.

The race was interrupted by a caution period on lap 17 when Roger Schmitz hit the third turn wall. He was uninjured but unable to continue.

Stanley took the lead from early leader Alex Petropoulos on lap 7 and he held on despite constant pressure by Dennis Topcik. Dan Shield and John Sternberg rounded out the top four.

Leamon Whitley won the trophy dash with Mark Hill winning a heat.

A father-child tire roll was held with Will and Jack Randle teaming up for the victory. Mario and Mark Maglio of Antioch were second.

Last Saturday night's racing was cancelled because of rain. Antioch drivers Don Collins and Tom Homan, two of the track's stars, will be back this coming Saturday. There also will be a wheelbarrow race.

### Mosquito program in second phase

The second phase of the annual mosquito control program has been started in the village of Antioch by the Clarke Outdoor Spraying Company.

The program includes regular inspection of all potential mosquito breeding areas, the Roselle, Ill., firm said.

The inspections are performed in order to monitor breeding sources, establish a history of activity, and to verify that abatement techniques are maintaining control.

During the first phase, a survey of all breeding sites was charted and the first larvicide application to all designated breeding areas was made by helicopter.

Monitoring of local rainfall and temperature was started and the light-trap network began operating three nights a week. The "Mosquito Hot-Line" went into operation with citizen questions relative to mosquito control being answered immediately.

As part of the second phase, inspection of breeding areas has started and the second larvicide treatment by helicopter is underway. This will be followed by an emulsion treatment of catchbasins and culverts to prevent breeding of disease vector mosquitoes.

In "Mosquito Hot-Line," toll-free calls 800-942-2555 will bring answers to questions.

## Advertiser team hot in Babe Ruth league

The Advertiser won three games in the last two weeks to boost its won-lost record to 4-2 in Antioch's Babe Ruth baseball league.

First, Manager Dick Witt's team outslugged the State Bank 10-8. Winning pitcher Mark Williams had a shaky start but, from the third inning through the seventh, he settled down - facing only 17 batters and giving up only two runs.

Witt said Chuckie Duha "played a brilliant defensive third base" and started a double play in the fifth inning to kill a State Bank rally. Bob Thain led hitters with a double and a single.

THE TEAM GOT ITS third win of the season last Thursday, 13-7 over the Medics.

Roy Raven pitched a little more than four innings in relief, striking out six and allowing only one hit. He went to the mound in the third with two out and the bases loaded, then got the batter to ground out.

Gordy Nasenbeny moved to the leadoff spot and scored four runs. He had three hits, including a triple.

Dean Haviland also scored four runs and played good leftfield, Witt said.

ON SUNDAY, the Advertiser team routed Hahn's Jewelers 15-4 as Haviland made his first pitching start. He faced only 18 batters in a game shortened by the 10-run rule. Haviland gave up one hit, one walk and hit one batter. He struck out five and contributed two baseruns to his team's attack.

"Cary Scharlau again displayed a sure glove at Shortstop," manager Witt said. Phil Herrera started a double play with a catch in leftfield, then threw out a runner trying to score.

CAROL HAMLIN HITS A fairway shot at Spring Valley Country Club as her partners Edna Dalgaard, left, Jan Hogstrom and Anne St. Pierre wait their turns in the women's golf league sponsored by the State Bank of Antioch.

## Tourist info center is closed

Wisconsin's two-year-old fight to keep open the tourist information center on highway 12 at Genoa City was lost last week when the state assembly failed to override Governor Schreiber's veto of its

continued operation.

State Rep. Russell Olson of Bassett said, "Hundreds of millions of dollars were invested in vacation and convention facilities in Lake Geneva and western Kenosha county, and mil-

lions of tax dollars generated by them, but the mood of the legislature in an election year after the passage of Proposition 13 in California was to cutback on state appropriations."

"Kenosha and Walworth county legislators supported keeping the facility open but the low traffic count on highway 12 was a difficult argument to overcome," Olson said.

## ACHS baseball teams wins summer openers

Antioch High School's baseball program is off to a successful start after victories over New Trier West and Arlington.

The local team scored 12 runs in the first game and seven in the second.

Coach Tom Baba said, "This is one of the best teams I've ever coached."

PITCHER TOM ERNSTYMEYER held New Trier West to two runs while Steve Gebauer had three hits including a home run. Gebauer drove in three runs in his perfect day at the plate while Ted Poulos batted in two runs.

Coach Baba said Chuck Gleason and Dan Chrichton did good jobs with the glove."

The 7-5 win over what Baba called "a good Arlington team" saw junior pitcher Chris Kempinski going the distance and finishing with a four-hitter. He struck out four.

Kempinski pitched well in the clutch, Baba said, and helped his own cause with three hits, driving in two runs.

Kevin Walsh drove in three runs and Baba also praised the play of Phil Bielewski, Jeff Andre, Charlie Schreiber, Jim Flanagan, Scott Gallagher, Pat Sikorski, Jeff Chrichton, Rod Inmen, Tom Berendt, Tom Connelly, Tom Tudor, Steve Cisco and Scott Schroeder.

## TOURNAMENT TIME?

The third annual Antioch Open golf championship will be held on two Sundays, Sept. 10 and 17, at Spring Valley Country Club in Salem.

Spring Valley's owner, John Wagner, said golfers will start teeing off at 11 a.m. on both days. It is a 36-hole tournament.

The event again is being sponsored by the Antioch News.

ENTRY BLANKS FOR this year's tournament will be available about Aug. 1.

**OBITUARIES****Robert C. Jensen**

Mr. Robert C. Jensen, 55, of Antioch passed away Friday, June 16, at Victory Memorial Hospital. He was born June 20, 1922 in Clearbrook, Minn. and had lived in California and Chicago before moving to Antioch in 1954.

He was a member of the Northern Ill. Conservation Club, the National Wildlife Federation and was a wholesale jeweler. He had also operated the Jewel Box in Antioch for several years.

He married Shirley Mae Jost on Mar. 16, 1946 in Oak Park, Ill.

Survivors include his widow Shirley Mae; two daughters, Mrs. Melonnie (Glenn) Crellin of Reston, Va. and Mrs. Wendy (Michael) Poe of Wheaton, Ill.; three sisters, Mrs. Iris (Roland) Borene of Clearbrook, Minn., Mrs. Jewel (Edmond) Nelson of Moorhead, Minn. and Mrs. Joyce Schowalter of St. Paul, Minn.; one grandson, Justin Crellin and several nieces and nephews. He was preceded in death by two sisters, Patricia Martin and Ardeth Jensen.

Funeral services were held yesterday at the Strang Funeral Home, Antioch. The Rev. Bernard Fosmark of the Antioch Evangelical Free Church officiated. Interment was in Irving Park Cemetery, Chicago. Contributions may be made to the Antioch Rescue Squad, the Antioch Fire Dept. or the National Wildlife Federation, 1412 16th St., N.W., Wash. D.C. 20036.

**Stephen J. Harrison**

Stephen J. Harrison, 19, of Lindenhurst passed away suddenly from injuries received in an auto accident June 17. He was born Nov. 25, 1958 in Yorkshire, England. He came to America in 1975 to settle in Chicago. He later lived in Waukegan and in Lindenhurst.

He served in the U.S. Air Force and was a machinist for Omeo Inc. in Mundelein.

Survivors are his parents, Gordon and Jean Harrison; two brothers, Glenn and Paul.

Funeral services were held yesterday at the Strang Funeral Home, Antioch. Interment was private.

**Legal Notices****LEGAL****NOTICE TO BIDDERS**  
**POPLAR AVE., CHERI LANE**  
**WATER MAIN EXTENSION**  
**ANTIOCH, ILLINOIS**

Notice is hereby given that the President and Board of Trustees of the Village of Antioch, Lake County, Illinois, will receive bids at the Village Hall, 874 Main Street, until the 3rd day of July, 1978 at 8:00 P.M., Central Day Light Savings Time, the construction of a water main in Poplar Avenue from State Route 83 (Main Street) to Cheri Lane and in Cheri Lane from Poplar Avenue to the end of the existing main.

The bids will be publicly opened and read at the meeting of the President and Board of Trustees beginning at 8:00 P.M. on July 3rd, 1978. Bids will be acted upon at said time and place, or at a later time and place as may be then fixed.

The work to be done consists of the following:

1. Connect to the existing water main in State Route 83 (Main Street at Poplar Avenue and install approximately 450 L.F. of 8" water main in Poplar Avenue to the intersection of Cheri Lane. Auger approximately 30 L.F. of 16" steel sleeve under the pavement of State Route 83 (Main Street).

2. Install approximately 170 L.F. of 6" water main in Cheri Lane from the Poplar Avenue main to the existing water main in Cheri Lane.

3. Install a fire hydrant, gate valve and vaults, miscellaneous fittings, chlorination, pressure test, and necessary pavement and parkway restoration.

All work is to be performed in accordance with the Plans and Specifications which are on file in the Village Hall and at the office of Applied Engineering Company, 1885 Hicks Road, Rolling Meadows, Illinois 60008.

All bids shall be submitted, on forms provided, to the Village Clerk on or before the time specified above.

Each bid shall be accompanied by a check drawn on and certified to be an acceptable Illinois Bank in an amount of not less than ten percent (10 percent of the total bid), made payable to the Village of Antioch, Illinois. The certified check shall be forfeited if the bidder fails to enter into a contract and furnish bond after his proposal shall have been accepted.

The certified checks of unsuccessful bidders will be returned within 15 days of the award of a contract. The certified check of the successful bidder will be returned after he enters into a contract and furnishes a satisfactory performance bond. Bid bonds will not be acceptable.

The successful bidder shall furnish a performance and guarantee bond to the Village of Antioch in the amount of 100 percent of the contract.

Payment will be made in cash on the basis of approved progress estimates.

This work shall commence within fifteen (15) calendar days after date of notice of award, and all work shall be

completed within thirty (30) calendar days after date of notice of award.

The Contractor shall pay labor employed on the work, not less than the prevailing wage scale as required by State Statutes.

The Village reserves the right to defer acceptance of any proposal for a period not to exceed thirty (30) days after opening of bids, and reserves the right to reject any or all bids, to waive informalities of technicalities in any bid and to accept the bid which it deems to be in the best interest of the Village of Antioch, Illinois.

Bid documents are available at the Village Hall in Antioch from the Village Clerk for a non-refundable charge of five (\$5.00) dollars.

**"HOLDUP" ON MAIN STREET** - The Antioch Jaycees, their wives and friends collected money to fight juvenile diabetes. Their annual "highway holdup" was held last Friday and Saturday on downtown street corners and in shopping areas. Above, Roxane Klean accepts a donation from a lady shopper.

## Along the way with ANNIE MAE

Continued from page 11

Forest Hospital. Robin's two sets of grandparents, Emil and Phyllis Kapischke of Antioch and John and Mary Croak of Lake Villa sure must be happy.

July 23 will be a big day for Melvin and Goldie Stillson. Their children, Dee and Melfred, are planning an open house to celebrate their Golden Wedding anniversary. They actually tied the knot on July 5, 1928, but because their daughter will not arrive from Singapore until the 17 the celebration is being delayed.

Mr. Stillson taught industrial arts at Antioch High for 36 years before retiring in 1970 and Mrs. Stillson was a first grade teacher in the Lake Villa school system for 18 years, retiring in 1975.

MY, AREN'T COMPANY PICNICS FUN! The Antioch News crew sure had a good time Saturday. The weather was a little threatening - but it didn't stop us.

Our illustrious Editor-in-Chief took the big splash - from the deck of the pool not from the innertube he was supposed to stand on. Since he hates water we all thought he did very well.

Too bad his game of badminton is so bad!! Maybe he'll improve by next year.

## Names in the NEWS

JOHN MEYER and SUE NASENBENY of Antioch have been awarded high honors on the dean's list for the spring semester at Eastern Illinois University in Charleston.

High honors are awarded for achieving at least a 3.75 grade point average on a 4.0 scale.

Meyer is the son of Mr. and Mrs. Henry Meyer of Antioch and Miss Nasenbeny is the daughter of Mr. and Mrs. Gerald Nasenbeny of Antioch.

NAPERVILLE, Ill. - Steven Joseph Albright, son of Mrs. Lupe Albright, R.R. 1, Box 506, Antioch, received a bachelor of arts degree in Speech Communication-Theatre at North Central College in Naperville on June 10.

North Central is a private, coeducational, four year liberal arts college.

## United Way admits 2 agencies

The Lake County Youth Service Bureau and Lake County Council on Alcoholism have been admitted to the United Way of Lake County.

There will be 29 agencies receiving funds from the 1978-79 campaign.

Applicant agencies were reviewed by an admissions committee chaired by Peter Cleven, vice president and head cashier of the First National Bank of Antioch.

Mr. Cleven's committee determined that the agencies meet United Way criteria and perform needed services.

The work of Lake County Youth Service Bureau is carried on by a professional staff of social workers. By keeping close contact with youth, the counselors try to encourage open communication between them and parents, school personnel, and others in authority. Youth are encouraged to participate in

recreational activities through a park district or special activities arranged by bureau.

LCYSB counselors have a genuine interest in aiding teenagers and young adults through their most difficult years of growth.

The Council on Alcoholism has programs for education, treatment and identification of alcoholics.

Treatment is offered on an outpatient basis. Family members can participate in educational and counseling sessions.

Long-term residential rehabilitation is offered at Bridge House in Waukegan. The patients are usually those who have suffered from the disease for a long period, are indigent or have lost contact with their families.

Courts refer those charged with driving while intoxicated to the Council on Alcoholism where they participate in an educational program.

## Golf notes

The Spring Valley Swimmers' events on June 13 were won by A class, Marlene Smith of Libertyville; B class, Linda Hucker of Lake Villa.

Most people thought television was impossible 30 years ago. Today a lot of people still feel that way.

## Legal Notice

### LEGAL NOTICE NEW EQUIPMENT VAN (CHASSIS & BODY)

Notice is hereby given that sealed bids will be received by the Board of Trustees of the Village of Antioch until 8:00 P.M. on July 17, 1978 for the purchase of a chassis and body for an equipment van as per specifications on file with the Village Clerk, which specifications will be made available to all parties desiring to bid.

Bids shall be addressed to Marilyn J. Sterbenz, Village Clerk of the Village of Antioch and shall be in her hands on or before 8:00 P.M. on July 17, 1978. The Board of Trustees reserves the right to reject any and all bids, to waive any informalities in any bid, and to accept any considered advantage to the Village.

This advertisement is made pursuant to direction of the Board of Trustees of the Village of Antioch on the 19th day of June, 1978.
